# LAZY LODGE

SKUNKY HOTEL!

# Welcome Campers!

On behalf of the Wruffin' It Adventures Group POD we'd like to welcome you to your 5<sup>th</sup> annual Camp Wruffin' It! We're excited to bring you a fantastic experience this year. We've been working hard on the whole program and believe you will have an exceptional time meeting and bonding with your fellow pups and pet players. We're often told that there's nothing like Wruffin' It. How welcoming, inclusive, and empowering our community has become is a hallmark of what we do. We're glad you're apart of it, new or returning, and we hope to make you a camper for life.

*Camp 2022 Group Photo - VEX*

Since 2017 we've been working hard at building and growing this camp. This year we've gone through a lot of structural changes on the backend. So please pardon our dust if there are bumps along the road.

Wruffin' It Adventures Group Ltd is now the legal banner we operate under and have been shifting our operations and organizational culture to be more in line with a proper business. It's been an exciting challenge, but we think you'll agree that the pay off has been worth it.

One of the larger changes is a formalization of our Health & Safety program. We've taken steps to cover as many foreseeable issues as we can, but no organization is perfect. If we're missing something, let a pod member know or leave us a note in the feedback survey you'll receive via email after camp.

From the beginning this is something we set out to build for us and our friends, and we're honoured you've come to celebrate with us. For those of you attending your first Wruffin' It, welcome! For those of you returning, thank you so much for your ongoing support and loyalty, we couldn't do this without you.

There's a lot in this handbook, you may need to read it twice, but enough blathering, let's go play!

## Thank You Contributors!

It takes a tremendous amount of effort to pull off this Camp. First off, we'd like to thank our fellow POD members, PapaWuff, Papa Bear & Procrastikitty for the literally 1000+ hours they put into the camp each year. It's a big project in time and money to do such a small thing – it's appreciated.

We'd like to thank Wiley Wolfe and Pup Void for making the trek up from Los Angeles and working with us the last few months to help put together the wonderful program you'll be seeing this year at camp. They bring an interesting style and fresh perspective to camp and we're grateful for all the fun mutual learning we're going to be doing!

We also would like to give a HUGE shoutout to Bucket the Clown Pup for his amazing artwork

contributions to camp this year. His work is featured everywhere this year, and not just because we paid for it – Bucket has donated an extra \$1000 worth of artwork to Camp this year and we're so incredibly blown away by the talent and generosity of this wonderful artist. Check out his commission price list at camp. It's totally worth it.

This year saw the introduction of WAGs – our chat bot who's slowly being integrated into our registration and scheduling systems. WAGs is a gift of our friend Façade who kindly has been developing and debugging features that help take some of the more repetitive workloads off of PapaWuff. It may seem like a tiny thing, but it helps a lot and Façade volunteered and jumped in right away when asked. Please give this good boy plenty of skritches this weekend.

We'd like to thank supporting organizations like Fur-Eh! and Lazy M who have provided us a platform to grow and promote the camp and community from. BC, Thall, Randy & Marcel have been tremendously supportive of our work over the years and we're tremendously grateful.

We'd also like to thank our volunteers – many of you who go above and beyond all year long:

- We'd like to thank Kit Pup for being a great ambassador and billeting our trainers and always promoting the camp. He's always happy to help out where we can and we're very grateful.
- Desert and Rifka who are always around to lend advice, troubleshoot policy, work on administration projects, provide extra labour on the ground, and who sourced and hauled 7 gallons of latex from the US for Paint-a-pet this year.
- Our photographers Vex and Keety who spend a lot of time through out the year preparing, working the ENTIRE camp, and then sinking a week of their spare time afterwards into editing and producing our camper photos – you two are amazing and we're so grateful to have you.
- TentaQuill for all the kitchen labour leading you do – the kitchen team gets up early, spends a lot of their free time prepping, cooking, and cleaning and miss a lot of our activities. Our food program wouldn't be possible with out you all dedicating so much time and effort to the camp. Thank you.
- Our Volunteer Herder Pup Toy for all the planning and keeping everyone on track.
- Co-MC & reg desk lead Pup Rath for being willing to be a gopher and take on side projects to help out.
- Voodoo for helping out with reg, planning, and of course the wonderful Voodoo Lounge
- And to the rest of you, the many more who we don't have time to mention – thank you so very much for your contributions to the community. Wruffin' It is through and through a team effort.

## What is Wruffin' It?

Founded in 2017 by members of Alberta's Pet Play community, Wruffin' It is a level 4+ pet play summer camp. You are free to dress pretty much how you wish, or not at all. You may witness or partake in open sex acts with other campers at your discretion nearly anywhere on the grounds provided informed, ongoing consent has been obtained. If you're new here, and half of you are, this might be a bit jarring at first. Don't feel pressured to join in right away if you don't want to but know that you're welcome to. Feel free to observe, ask questions, and respectfully explore. We're all here to learn and grow together!

Wruffin' It is a volunteer owned and operated camp – we all pitch in here. Please make sure you arrive promptly for your scheduled volunteer shifts to help the camp run smoothly.

Those who are padded are asked to keep their padding covered when not in abdl spaces/panels, and no messing. We recognize that padded pups are a growing trend, and we'd also like to acknowledge that several people have triggers surrounding the whole motif. We will leave it to Campers to respectfully self advocate as needed.

Campers are also required to use a towel or such when sitting on indoor furniture, the camp store has a selection of butt towels for sale if you wish.

## Dungeon Culture

Camp Wruffin' It exists entirely within a BDSM dungeon. What this means is that the entire camp operates under dungeon rules, which are posted in the dungeon space in The Gathering Centre.

Wruffin' It insists that campers utilize the traffic light system of Safe words while in our dungeon. Regardless of whatever arrangements you may have with playmates outside of camp, we insist that campers respect "Stop" and "Red" as immediate revocations of consent. If campers are engaged in activity where "Stop" or "Red" are not being respected, campers or staff will intervene and discuss the situation with both sides separately and will proceed inline with our response procedures.

The key take-away here is that respect and consent are expected throughout the grounds. That consent must be negotiated while sober, must be ongoing, enthusiastic, clear, informed, and revocable. These rules work to keep us all safe and on the same page.

## Arrival

Upon arrival you will be greeted by our Reg Desk team, Pup Rath and Voodoo, we're told treats are appreciated. Before being allowed onto the grounds all campers must present valid ID, sign our waiver which you can find at the end of this booklet, complete orientation (1<sup>st</sup> timers only) and receive your welcome package that contains your badge and goodies. At that point you'll be allowed onto the grounds to unpack, park your vehicle, and setup your camp site.

The registration desk runs from 2pm – 8pm on Thursday. If you arrive after that period seek out a staff member with a pink border on their badge and they will assist you. Please always wear your badge as that helps all campers and staff quickly identify each other over the event.

## RV Pit

RV's will be arranged in the RV pit at the direction of Papa Bear as indicated on the map. There is a septic dump for only portable holding tanks. RVers are asked not to run generators, but if necessary to limit it to battery recharging and be respectful of the noise impact on the activities around the area.

Wruffin' It takes efforts to preserving the dark sky experience for star gazing and may take steps for lighting to be altered to accommodate.

Some of the RV owners are offering use of their Starlink systems, check with them for details, and thanks guys!

## Tenting

Those tenting are expected to bring all the necessary gear for their comfort. You may not cook at your tenting site, nor store food in your tents. We are in bear country and all food stuff must be stored in the storage area of The Gathering Centre.

Tenting areas are indicated on the map and are broken into three areas:

1. The Quiet Zone by the garage has access to outlets for those who have CPAPs. Campers in this area are asked to keep their noise levels down around 11pm for those who like to retire earlier.
2. The Grove may also be used for CPAP users if long enough extension cords are available. This area is just north of the Residence/Office and open to all. Watch out for power cabling on the ground.
3. The Party Camp is located on the north and south sides of the hay shed. This is a more active area close to the hay shed and a firepit and tends to attract more of a late-night crowd.

All campers are welcome to use all bathrooms and showers in The Gathering Centre, and the portables in the field and main floor of the Lodge. Shower Brooms are for scrubbing the floors after your shower, please use.

## Lodging

Campers staying in the lodge are pre-assigned a theme room which will be revealed to you at registration. Themed goodies in the room and the room signage are the registered camper's to take with them at the completion of camp. We'd like to give a special shout out to Bucket the Clown Pup, this year's artist, for the wonderful room sign paintings he created and donated this year. We encourage you all to browse these stunning pieces of work!

Some lodge guests have private bathrooms, and the second-floor bathroom is restricted to lodge guests only. Sex inside the lodge is confined to private rooms only.

## Parking

Parking is located on the eastern fence line. During camp vehicle access will be restricted. Do not park in the lodge parking lot. That is for medical and staff only. Temporary loading and unloading are permitted. Please set your parking brakes as you are on a hill. If you're towing an RV or trailer, please disconnect and park your vehicle alongside everyone else.

Please note that at 9pm on Thursday the gates to Lazy M will be locked. Re-entering the grounds needs to be coordinated with Lazy M staff and is solely at their discretion.

## Health & Safety

There are outdoor hydration stations located throughout the camp site, so bring your water bottle!

Sunscreen and bug spray will be placed through out camp. If you've forgotten yours, use ours.

If you need medical attention, please have someone contact a medic or staff member for you.

Periodically check each other for ticks, especially if in long grasses or have been along the walking paths.

## PaH Patrol

The Pah Patrol are volunteers that will be walking the grounds at midnight each night. They will be picking up discarded/ lost items, checking on the various amenities and discarding any food/drinks that has been abandoned or left out. If you are missing an item after midnight, chances are that it is in the lost and found located in Con Ops.

The Pah Patrol will be identifiable by their reflective vests. To avoid having any of your stuff ending up in lost and found or the garbage please ensure all your belongings are stored in your tent/room/RV and your food/drinks are in the cooler room before midnight.

## Emergency Procedures

- In an emergency, you will hear a siren from the bull horns and instructions on where to go.
- Make sure those around you are aware there's an emergency and are moving to a muster point.
- Follow instructions and make your way to the designated muster point as quickly as possible.
- Do not try to go to your tents or rooms to retrieve personal items.
- If you see a fellow camper who is injured or unable to make their way to the muster points, please inform staff when you arrive.
- Do not open or explore the emergency kits.

Muster points are located:

1. At the Flagpole along the east fence line
2. Inside the lodge
3. Camp Ops, second floor of The Gathering Centre

In the event of an emergency take the following steps:

1. Notice the event, speak it out loud until another camper hears you.
2. Notify people around the scene prior to leaving it.
3. Seek out or send someone to seek out a staff member.
4. Notify any around the scene that staff are on the way, remove yourself and others from hazards if safe – if unsure, remove yourself only.
5. Be available for debrief at the end of the emergency.

If directed by staff to assist, you have the right to refuse if you do not feel comfortable. Decline politely and ask if you can go find more people to help.

If directed by staff to leave an area, you must do so immediately and safely even if you do not understand why.

## Intoxicant Use

Be respectful, no glass. If you can buy it legally in Alberta, you can consume it on grounds. That simple.

If consuming tobacco via combustion, do so along The Gathering Centre wall facing the marsh. You may not smoke around the campfires or while wandering through the grounds. We understand this may be a hassle for some, but this is to respect the health and comfort of our fellow campers, many of whom deal with asthma.

Vaping on the grounds follows provincial regulations, not within 10 feet of any door, vent, or building opening. Do so respectfully with the consent of those around you. Don't force people to inhale your exhaust plume, your rights to consume don't trump others peaceful enjoyment. Respect requests to relocate or cease.

## Gathering Centre

The gathering center is located on the northern side of the property near the wetlands. This area is the hub of camp and where Wruffin' It meals are made and eaten, where the Trainer's dinner is held and where some panels take place. It is also where the dungeon and two of the bathrooms are located. The Gathering center is open 24 hrs. Please bring your butt blanket to sit on the furniture.

Camp ops is in the Gathering Center on the second floor. You can get extra condoms and lube here as well. If you need anything from Camp Ops find Papa Bear, PapaWuff or Procrastikitty.

## Camp Store

The camp store sells items like douche bulbs, towels, toothbrushes, camp branded swag like pins, Gatorade, pop, and other items you may have forgotten behind. You may pay via tap, debit, or credit as you see fit. Wruffin' It also accepts all the branded tap to pay systems. Find Procrastikitty to make purchases from the store.

This year we are hosting a market and gear swap collaboration with YEG-PAH. If you wish to vend at camp get in touch with Procrastikitty. If you have gear for the gear swap, please approach the YEG-PAH representatives. If you want to donate items to the auction, please contact PapaWuff. WAG will have a point-of-sale machine on hand for the auction as well.

## Fire Pits

There are two fire pits for use. One is on the east side of the Gathering Center near the Hayshed and the other is on the west side near the Quite Camp area. Firewood will be delivered upon request and the fire pits can be use for food cooking as well, make sure to clean up all debris.

## Hay Shed

The Hayshed is in the center of camp where the hammocks and some of the learning panels take place. Field toys can be found here as well and are free to use whenever you like. Hammocks are on a first come first serve basis. Give priority to scheduled activities and use respectfully.

## Kitty's Kitchen

We really hope you enjoy the food program at Wruffin' It. We've worked hard to provide several options through a blend of community meals, optional meal plans, and self provided meals.

The following is included in your registration:

- Welcome dinner begins at 19:30 on Friday of Perogies and Sausage in honour of Northern Alberta's Ukrainian heritage.
- Breakfasts run from 10:00-11:00 Friday, Saturday & Sunday
- Healthy snacks will be left outside the camp store for all to graze at 15:30 everyday. Coffee & tea is available all day. There are also freezies by request from Procrastikitty.
- **All other meals, snacks, and refreshments are camper responsibility. Please pack accordingly.**

Pre-purchased Meal Plans:

- Total Noms Plan - Lunches are served in the lodge between 12:45-14:15 every day.
- Din Din & Total Noms – Dinners are served in the lodge between 18:00-19:30 every day except Friday.
- Din Din & Total Noms – Monday Breakfast to Go will be served in the lodge at 10:00
- All paid meal plans – Handler's Honour Dinner will be served in The Gathering Centre at 18:00 and will run until 19:30

Things to note:

- There is limited fridge space available on the grounds for you to store medication and perishables on a first come first serve basis.
- Glass containers are not permitted in public spaces.
- All campers will be expected to provide and maintain their own place settings and cups for the Welcome dinner and Breakfasts.
  - If you forget yours a small number of sets are available for purchase from the camp store.

Food area/Cooler storage - The food area/cooler storage is where we ask that you store all your food, do all your food prep and wash dishes. This is so that we don't get nosy bears or armies of ants wandering into camp looking for a snack. Cooking can be done here as well. There is a BBQ and a three-burner propane camp stove that is free to use. The sink for washing dishes is under the deck. Ice blocks are in the chest freezer in the cooler room which is open 24 hrs.

Campers are not allowed into the food storage areas, or the kitchen in the lodge. This is a commercially licensed area and restricted to Lazy M Staff

The colour of the bone on your badge indicates to food service staff which meal plan you're on and contains your registration number. The border colour indicates to everyone else what your role at camp is, and the badge contains your name and pronouns, make sure you're always wearing it, or you may be intercepted by staff and sent to get it.

## Forest Finds

Forest finds are outdoor play areas that are unmonitored and away from the high traffic camp areas. They are perfect for that romantic rendezvous or to create social media content. Please clean up after playing.

## Hydrant Hounds Spray Park

The Hydrant Hounds Spray Park is located behind the Cauldron and is considered an extreme fetish area. If you are triggered by Watersports play do not enter this area. Please use hose and spray wand to clean area after usage.

The mutt mister is located just off the eastern corner of Gathering center and can be use 24hrs. Pull gently on the chain.

## Camp Cauldron

The Caldron is located just behind the Mutt Mister in the big tent and can be used 24hrs. Rinse before and after entering for best hygiene, do not soap up in the shower before getting into the hot tubs. The cauldron can accommodate up to 12 pups (if you hold your breath). The water temperatures may vary throughout the day, but we ask that you do not play with the propane or pump. The cauldron is left cool during the day so feel free to take a dip to cool down. We begin heating it at dinner for evening use. If there is a problem or you would like the water hotter, please find Papa Bear.

## Lodge Hot Tub

This hot tub is located outside the lodge on the south side of and is available to everyone. Please take a rinsing shower before entering and do not overflow the hot tub. 5 people max, cover when not in use. If at any time water begins spilling over the edge, there are too many people. If the water falls below the intake points (you'll hear it), fill it up or seek out a staff member or a member of the venue team to refill it.

Lazy M provides towels to lodge guests – if you're not staying in the lodge, we suggest you bring your own. Avoid grey or brown towels, if possible, as Lazy M's towels are mostly grey, with some brown variations.

## Bridge and Creek

The Bridge and Creek are accessible down the western trail head through Quiet Camp or down the stairway behind the house. The creek is a popular fishing area so if you want to go swimming, we advise using the magnetic wands to clear the area of fishhooks and to wear footwear in the water. Fishing is catch and release and requires a provincial licence. Do not cross on to the other side of the bridge as that is private property.

## Labyrinth

The Labyrinth is located north of the house through the trees. Please watch for power cords as the labyrinth will be fitted with black lights on the hillside for nighttime displays. Feel free to use the labyrinth as a peaceful meditation area, or quiet play space.

## Cuddle Cabin

The Cuddle Cabin is located down the southern trail and is open 24hours. Previously this has been a SFW only area. This year we're opening it up for yiffing if you choose. Make sure you clean up and dispose of all messes. It's quiet and secluded. If it's occupied ask if it's okay to come in, respect a no if you receive one and return later. Do not dominate the space.

## Media Creation & Distribution

Media Creation & Distribution at Wruffin' It is consent-based. Wruffin' It photographers wear badges marked with "PHOTO".

Private sessions are available upon coordination with photographers at no extra cost. Contact photo pets or staff for inquiries or sign up on the Board's Board of Boards.

Green Tyvek wristbands indicate consent for photography; remove them by pulling from underneath if you don't want to be photographed. We discourage phone use for privacy but allow personal content shots.

New policy: Only shoot media with explicit consent of everyone in the frame, tag us on social media with the photos if posting online, and clear with a POD member before sharing any media captured at Wruffin' It. Unauthorized distribution of media will result in perma-bans for violating informed consent.

## The Board's Board of Boards

The Board's Board of Boards is the information nerve center for Camp Wruffin' It and is located at The Gathering Centre. Here you can check out what activities are coming up, see when you need to volunteer on the Doody Roster, sign up for private photo session with the camp photographers, view the day's weather forecast and draw art or leave messages on the paw prints boards.

## Weredog.co.uk

A promotional banner for Weredog.co.uk. The background is dark green with a subtle pattern of paw prints. At the top left is the Weredog logo, a stylized dog head in a circle. Below it are three small white circles. The main text reads "FILL YOUR BASKET" in large, bold, yellow and white letters. Below this is an illustration of a wicker basket filled with various dog toys: a purple ball, a red and white striped ball, a yellow ball, and a blue ball. Below the basket, the text "25% OFF" is written in large white letters, followed by "weredog.co.uk" in yellow. At the bottom, a dark blue button contains the text "CODE: WRUFF" in white. On the left side, vertical text reads "Offer ends October 31st, 2023 - Valid for the first 500 orders". At the bottom left, it says "Supporting Camp Wruffin' It - www.wruffinit.ca". At the bottom right is a small circular logo featuring a dog's paw print.

This year we were approached by Weredog to form a partnership in support of the camp. They heard about us in London England at a pup meet and started looking into us.

What caught Weredog's attention was our focus on inclusivity and accessibility. The vibe of the camp, and the over all stellar reputation we have in the community. This reputation is yours as much as ours and we're excited to have them on as a supporting partner. They are too! We haven't had our event yet and we've surpassed their expectations.

Weredog has sent a shipment of gear and promotional material for camp. At the time of writing the shipment was stuck in a loop between England and Scotland for the last 9 days. We're not sure if any of the material will make it on time. If it does, many Weredog products will be featured in our auction before closing ceremonies and throughout the camp. If not, we'll figure something out.

We'd like to ask that if you are photographed or filmed wearing or using a Weredog product, you tag them and us together on social media. It'll help a lot for next year 😊

### WAG CAMP WRUFFIN' IT 2023

**\*\*THIS IS AN ASSUMPTION OF RISK AND RELEASE OF LIABILITY AGREEMENT. THIS AGREEMENT IS IN ADDITION TO THE WAG CAMP AGREEMENT V2023.1 AGREED TO DURING REGISTRATION AND DOES NOT REPLACE OR SUPERSEDE THAT AGREEMENT IN ANY CAPACITY.\*\***

**\*\*READ CAREFULLY AND INITIAL EACH PARAGRAPH\*\***

In consideration of their services, I, \_\_\_\_\_, hereby

\_\_\_\_\_ voluntarily release, forever discharge, and agree to indemnify and hold harmless the organizers Camp Wruffin' It (the "Event"), Wruffin' It Adventures Group Ltd., their staff, volunteers, owners, agents, officers, and all other persons acting in any capacity on their behalf (hereinafter collectively referred to as "WAG"), on behalf of myself, my children, my parents, my heirs, assigns, personal representative and estate, from any claims, demands, or causes of action, which are in any way connected with my voluntary attendance on the premises, participation in any activity at the Event, or my use of any of the equipment provided by WAG.

1. I understand that the phrase "the Event" as used in this Release includes all activities

\_\_\_\_\_ that are a part of and associated with the Camp Wruffin' It 2023, including but not limited to: camp and safety orientation; classes and workshops; slip and slide access; hot tub use and access; unsupervised dungeon use and access; communal camping spaces; private camper play spaces; and any other activity occurring throughout the Event.

\_\_\_\_\_ 2. I assume and accept full responsibility for myself for any bodily injury, up to and including death, mental or psychological injury, or damage or loss of personal property that might occur while I am at the Event and I expressly agree and promise to accept and assume all the risks existing in any activity I undertake while at the event. My participation in any activity at the event is purely voluntary, and I elect to participate in spite of the potential risks. I understand that WAG is in no way responsible for my personal safety while I am at the Event.

\_\_\_\_\_ 3. In consideration for the right to participate in the Event, to participate in consensual bondage and/or sadomasochistic activities at the Event, and in any other activities in which I may participate while at the Event, I hereby certify that I am in good physical, emotional, and psychological health with no defects, illnesses, or conditions that might be injurious to me or others, and that I am able to physically and emotionally handle the associated risks inherent in consensual bondage and/or sadomasochistic activities and any conditions that may be associated with such activities or with my observation of these activities, or any other activities in which I may participate while at the Event.

- \_\_\_\_\_ 4. I acknowledge that activities that I may participate in at the event entail both known and unanticipated risks. I understand that such risks cannot be eliminated without jeopardizing the essential qualities of the activities. I acknowledge that these risks could result in physical or emotional injury, paralysis, death, or damage to myself, to property, or third parties, and include: scratches, cuts, sprains, strains, bruises, contusions, lacerations, scalding and burning, breaks and fractures, and severe contortion of the human body. I further acknowledge that the foregoing list of possible injuries and injurious acts is neither complete nor exhaustive and I accept all risks unequivocally whether expressly listed above or not.
- \_\_\_\_\_ 5. I understand that the event has its own rules and guidelines. I agree to read these rules and guidelines fully, and to abide by them, at all times during the event. I understand that the owners of WAG have, at their sole discretion, the right to require me to leave the Event at any time without refund of monies paid to participate in the Event.
- \_\_\_\_\_ 6. I understand that the use or possession of illegal drugs at the event is prohibited. I further understand that the use or possession of firearms (both real and replicas) at the event is prohibited. I also understand that the act of offering, soliciting, or agreeing to an act of prostitution, which for this Event is defined as an exchange of money or other goods for sexual gratification, is strictly forbidden at the Event. Violation of any of the aforementioned will result in my immediate expulsion from the event, without reimbursement, and with the possibility of civil and/or criminal complaints charged against me.
- \_\_\_\_\_ 7. I understand that all alcohol or marijuana present at the event is the property of myself or other participants and that WAG is providing access to none of these substances for participant use. I further understand that any use of alcohol or marijuana partaken in during the Event is undertaken at my own risk.
- \_\_\_\_\_ 8. I am an adult at least eighteen (18) years of age and I understand that I must present a valid government issued photo ID showing my legal name and birth date and sign this release in order to gain admittance to the Event. I further affirm that the photo identification I present is an accurate representation of my identity. I further state that all the activities I participate in or witness at the Event shall remain confidential. I understand that participants at the event are acting as consenting adults in a private situation, conforming to the Event rules and guidelines throughout the Event. I also understand and agree that by entering the Event known as Camp Wruffin' It 2023, I am knowledgeable that the event may include full or partial nudity by some of the participants, as well as acts of a sexual nature. I confirm that these sights will not offend me.

\_\_\_\_\_ 9. I understand that photography (including but not limited to, digital images captured by cell phones, cameras, or other devices) videography, audio records, or any other audio or visual recording of any kind are not permitted in public areas of the Event except as permitted by the event owners. The Event includes: camp and safety orientation; class and workshop spaces; the slip and slide, hot tub, and dungeon spaces; the areas immediately outside of the slip and slide; hot tub; dungeon; and workshop spaces; communal camping spaces; private camper play spaces; any other activities occurring throughout the Event; and any spaces located on the property throughout the Event.

10. I am not acting in the capacity of, as a member of, or under the direction of, any law

\_\_\_\_\_ enforcement or postal agency or governmental agency of any type, whether Federal, Provincial, or local in nature. I am not attending the Event or any of the activities at the Event for the purpose of entrapment or to gather information and/or testimony that would lead to (or further the arrest or prosecution of) the owners and organizers of the Event, the owners of the premises, or any individual attending the Event. I am not attending the Event or any of the activities at the Event for the purpose of attempting to influence the host property not to do business with WAG, to harass or discourage any person from attending the Event, or for the purpose of causing harm of any kind to the event and/or its attendees. Furthermore, I am not acting in the capacity of, as a member of, or under the direction of, any media agency. I will not publish or submit for any kind of publication information, writings, photographs, audio recordings, video recordings, or any other records of activities regarding the Event or activities at the Event without the express written approval of the owners of the Event.

11. I agree that if any portion of this release is found to be void or unenforceable, that

\_\_\_\_\_ provision shall be severed from the agreement and the remaining provisions shall remain in full force and effect.

\_\_\_\_\_ 12. I understand that I may not add to, change, modify, or delete any provisions of this release and am agreeing to every aspect of this agreement in totality.

\_\_\_\_\_ 13. I acknowledge that I am of sound mind and am entering into this agreement voluntarily and in the absence of any undue influence, duress, or coercion.

\_\_\_\_\_ 14. By signing this release, I acknowledge that if anyone is hurt or property is damaged during my participation in any activity at the Event, I may be found by a court of law to have waived my right to maintain a lawsuit against the Event on the basis of any claim I have released herein.

I further understand that this agreement may be used by WAG as a complete defence to any action for damages brought against Camp Wruffin' It 2023 arising from my participation in the Event.
